Show you care, Park elsewhere!

Please could you ensure that you do not park at the entrance to the school where the 'keep clear' sign. It is also important that you do not park on the pavement as this causes a blind spot and makes crossing unsafe for the children and their families. We put cones in the areas where we do not want you to park, please do not remove them.

The entrance to the school must remain a safe place for our children.

Want to

Behaviour's feel

Want to help your
child understand
their own feelings?

Emotion Coaching can help!

What is Emotion Coaching?

Emotion coaching draws on neuropsychology and attachment theory to help you understand children's emotions and their behaviour. It is a relational approach based on building positive relationships through empathy, attunement, understanding and respect. This is something you will have already been doing through VIG.

The training supports parents and carers to:

- Understand the key principles underlying emotion coaching.
- Develop an understanding of different parenting styles and reflect on their style.
- Develop skills in using emotion coaching.

Evidence Based Approach

Research shows that Emotion Coaching:

- Helps children to calm down and better understand their emotions.
- Helps children to regulate, improve and take ownership of their behaviour.
- Helps adults to be more sensitive to children's needs.
- Helps create more consistent responses to children's behaviour.
- Helps adults to feel more 'in control' during tricky situations.
- Helps promote positive relationships

Ready, Set, Read!

Presented by The Reading Agency.
Delivered in partnership with libraries.

Dear Parents, Grandparents and Carers

Your child is invited to sign up for this year's [Summer Reading Challenge](#). Sign up at your local library!

What is the Summer Reading Challenge?

The Summer Reading Challenge encourages children to keep reading during the school summer holidays – and to enjoy anything they like to read! Children aged 4-11 are invited to set a reading goal, and collect rewards for their reading.

It's **FREE** to take part, and last year 75% of children taking part improved their reading skills over the holidays.¹

Why should my child sign up?

- They will be **better prepared to return to school** in the autumn.
- The Challenge **supports the move into a new year group**.
- Becoming more independent in their reading boosts children's **confidence and self-esteem**.
- The library provides **free access** to books and fun family activities all through the summer.
- Library staff are on hand to offer support and book recommendations.

Your child will be part of a UK-wide programme developed by [The Reading Agency](#) and delivered in partnership with the [public library network](#).

How can my child take part? (Library OR online)

In the library. Visit your local library and sign up. Your child will:

- Set a reading goal for the summer and borrow and read books, eBooks and audiobooks. Your child can choose anything they like to read!
- Receive a Challenge folder and collect special stickers and rewards for reading.

OR

Online. Take part online at summerreadingchallenge.org.uk

- Sign up on the [official Challenge website](#).
- Set a reading goal and get tips for accessing books for free at home.
- Unlock digital badges and online rewards, including a printable certificate.

When?

Throughout the **summer holidays**. Check with your local library to find out start & finish dates near you. Unsure where your closest library is? Use the [Library Finder](#) to check.

Head to your local library this summer and sign up! If you have any questions, please contact Falmouth Library, falmouth.library@liscornwall.org.uk, phone 01326 315014, or call in to Falmouth Library, The Moor, Falmouth, TR11 3QA.

Yours faithfully,

Holiday during Term Time

Family holidays during term time will not normally be authorised. No flights or travel arrangements should be booked until the absence has been discussed with the Headteacher. Under current legislation parent/carers taking their child on an

unauthorised holiday in term time could be subject to a fixed penalty fine. This is something we would like to avoid happening.

If you decide to still take your child out of school, without permission, you will be committing an offence under the Education Act 1996. We may refer the matter to Cornwall Council who may decide to take legal action against you. A penalty notice can be issued under Section 444A and 444B of the Education Act 1996. This carries a fine per child, per parent, of £60 if paid within 21 days or £120 if paid after this but within 28 days. Failure to pay the penalty notice may result in Court action. Persistent absences not authorised by the school may result in a prosecution in the Magistrates Court, leading to fines up to £2,500 and / or custodial sentences. The Council may also apply for the costs incurred in taking the matter to court.

We have recently had a visit from our Educational Welfare Officer who has expressed their concern at the number of unauthorised holidays that are

being taken during term time. This is a plea to ask that you think very carefully before taking your children on holiday in school term time. If unauthorised absences continue, not only will pupil learning be affected but the management of the school will be questioned by the Educational Welfare Officer and Ofsted.
