Comic Competitions!

Each issue will have a competition. This issues competition is a comic strip. The winning comic strip will appear in the next issue. So, start thinking about your ideas. We need the comic strip to

be 4 boxes long and have a fun and interesting story. There will be two winners - one infants and one primary. On the back PLEASE put your name, age and your class. Without

this information we may not be able to submit your entry. The winners photograph will also appear with their comic strip. Please remember no violence! Extra points will be

awarded for compassion shown in your comic. To give you an idea or what we need take a look at page 2 for this week's comic.

Healthy Lunch box ideas

We all know Tracey and all the lunchtime helpers work really hard to make sure our lunches at school are healthy and tasty.

But at home you can make them tasty, nice and healthy. This doesn't mean you may not have the occasional treat but if you are stuck for ideas to get your five a day here are some fun options.

As you can see... healthy is definitely not boring!

Problem Page

As I know friends are sometimes are hard to keep and it annoys me to say a lot of the time it is because of arguments. If you feel sad or alone apologise. Even if you think you are right you will feel much better.

A best friend is someone who you can talk to, who won't judge you, loves you for you, and, most of all, makes you feel like you are worth something.
