

Welcome to Year 5

Teacher; Mrs H Williams
Teaching Assistant; Susie Hutson

This leaflet is designed to help you and your child at the beginning of a new school year. In class four we encourage children to take more responsibility for their belongings and we would value your support in doing this. Please could you encourage your child to put their homework book, reading book and reading record, pencil case and PE kit (including trainers) into their bag at home as well as getting them to think about the other things they may need for the day e.g. musical instrument or the items for a school trip.

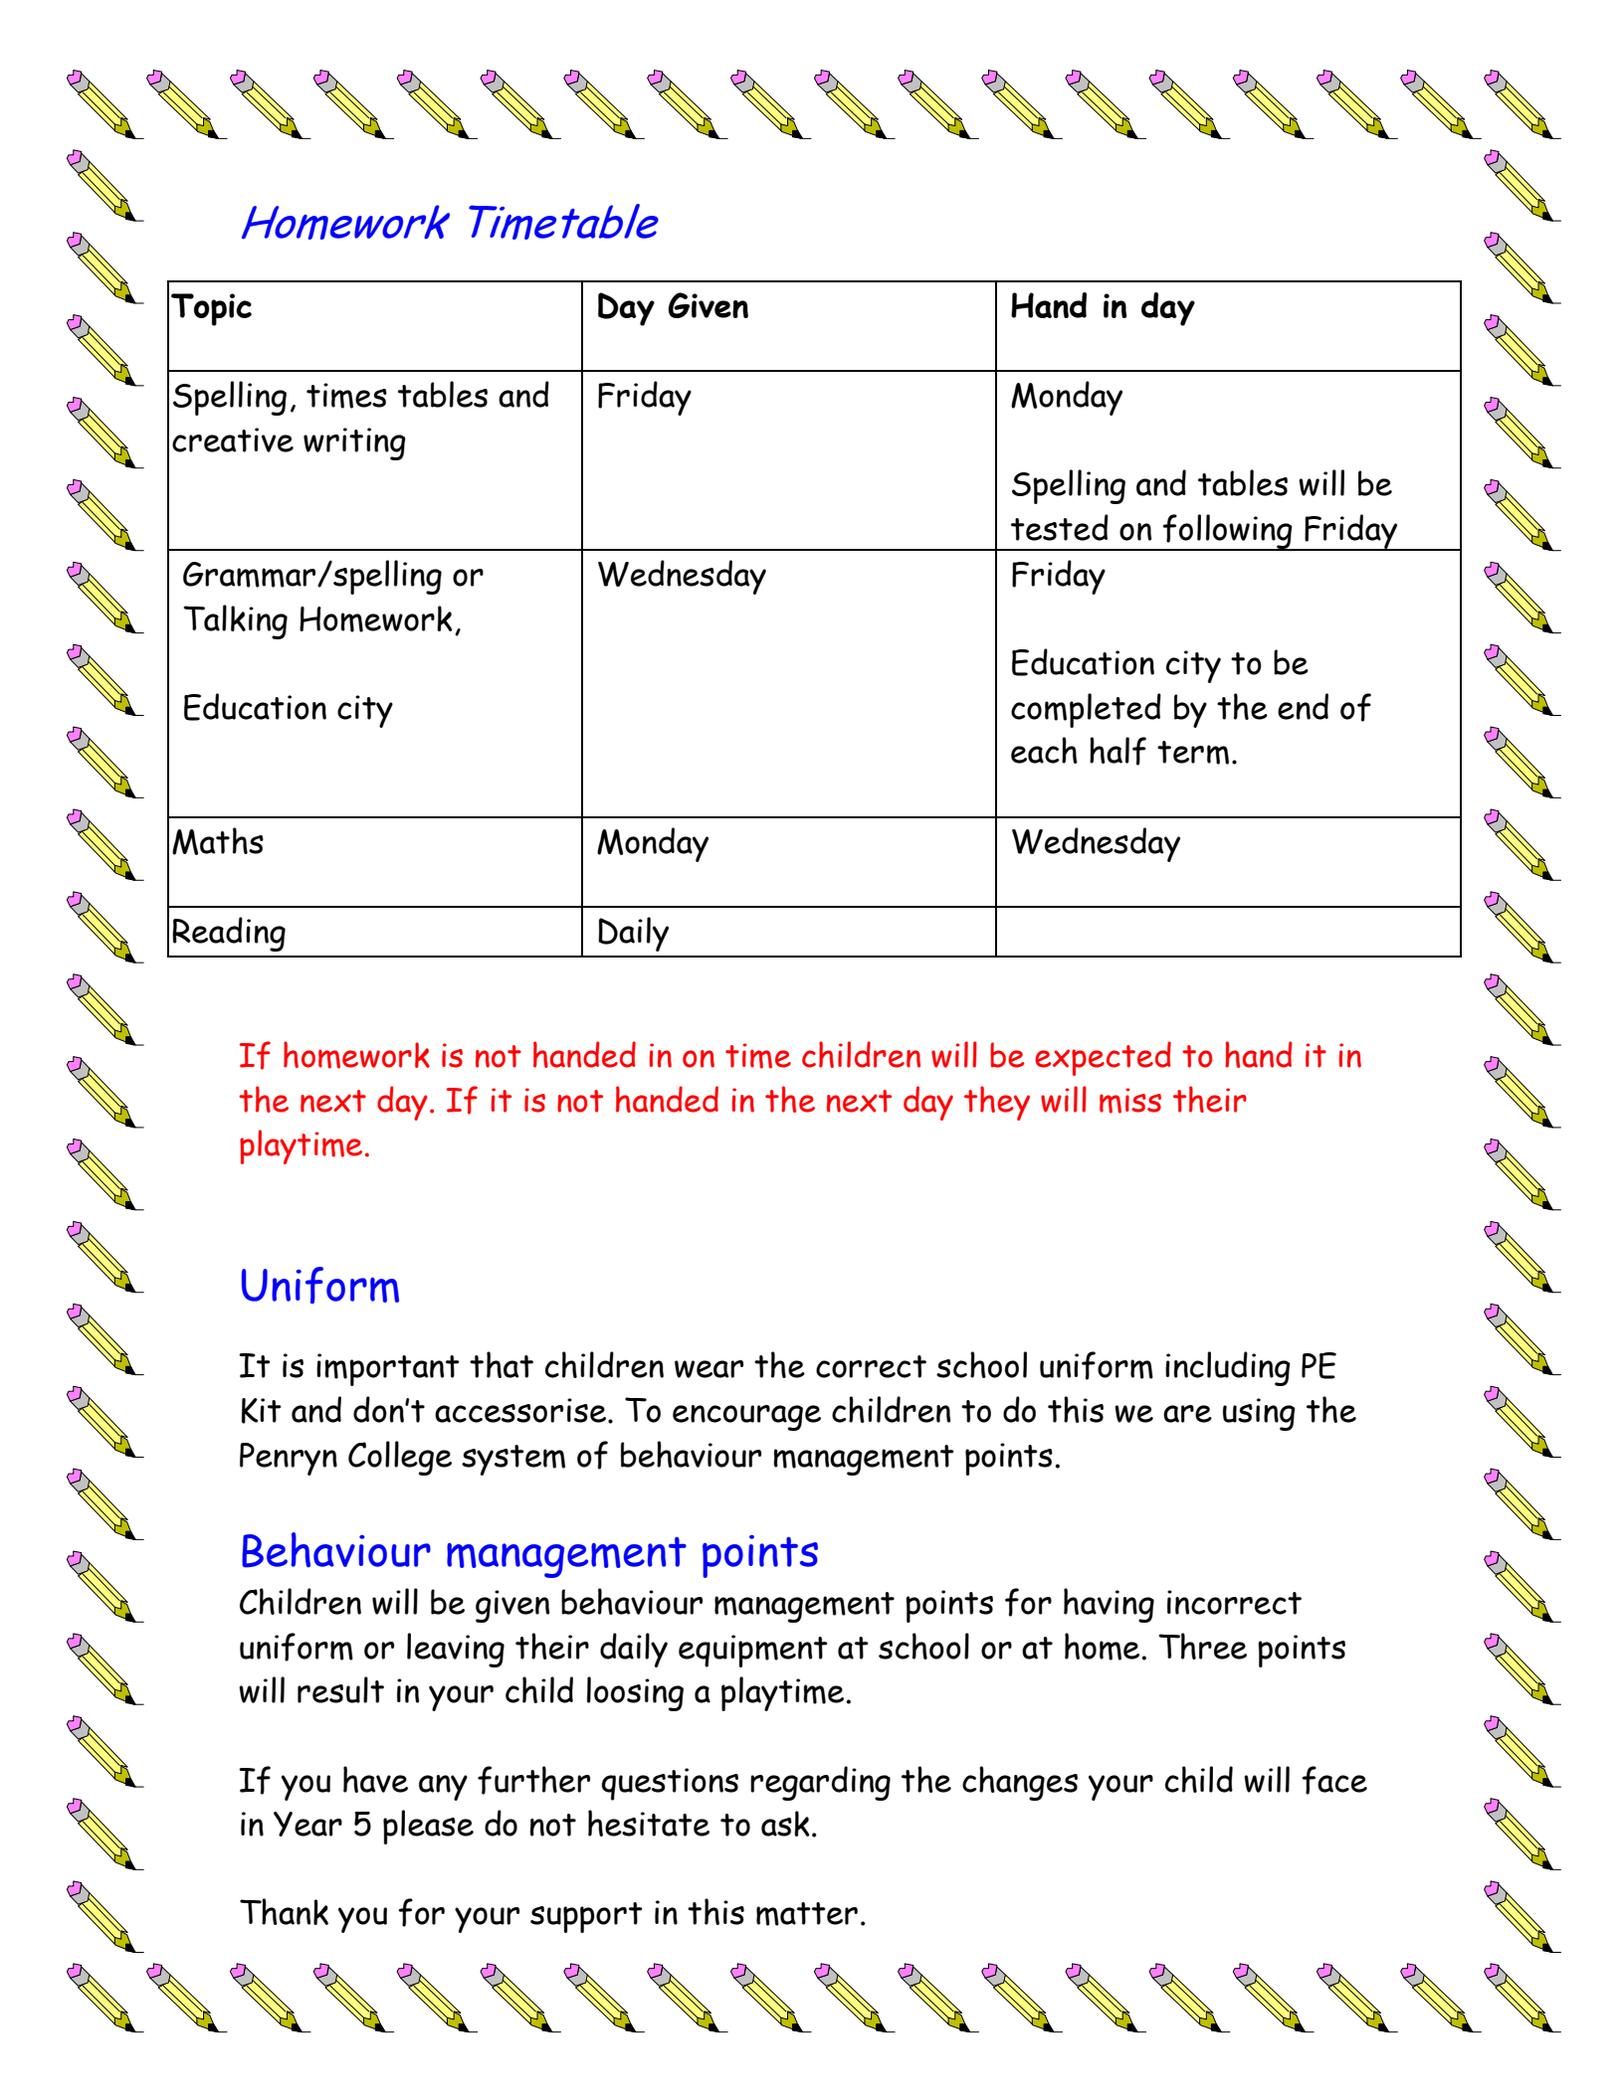

As your child is in a mixed aged class they may come home a bit confused at the start as there are different expectations for the year six children in order to prepare them for secondary school. Please reassure them that what I have stated in this letter applies to them and they needn't worry; they will soon get into the swing of things.

Daily equipment list:

- Pencil case (*provided from home*)
- Reading book and reading record
- Homework (on days required)
- PE kit (on days required)

P.E Timetable: Tuesday and Wednesday

If children do not have their PE kit or part of it they will be given a behaviour management point.

Homework Timetable

Topic	Day Given	Hand in day
Spelling, times tables and creative writing	Friday	Monday Spelling and tables will be tested on following Friday
Grammar/spelling or Talking Homework, Education city	Wednesday	Friday Education city to be completed by the end of each half term.
Maths	Monday	Wednesday
Reading	Daily	

If homework is not handed in on time children will be expected to hand it in the next day. If it is not handed in the next day they will miss their playtime.

Uniform

It is important that children wear the correct school uniform including PE Kit and don't accessorise. To encourage children to do this we are using the Penryn College system of behaviour management points.

Behaviour management points

Children will be given behaviour management points for having incorrect uniform or leaving their daily equipment at school or at home. Three points will result in your child losing a playtime.

If you have any further questions regarding the changes your child will face in Year 5 please do not hesitate to ask.

Thank you for your support in this matter.
