

CLASS 1 NEWS

17th April 2015

This week we have begun our topic about growing. We have talked about how to grow a bean, what it will need and all planted one.

We have painted beautiful flower pictures, started to learn the story of 'Jack and the Beanstalk' and used our weighing skills to create the same weights bags of soil. We have also looked at the beautiful dandelions when we were on the way to the reserve- their cheerful flowers, dandelion clocks (seeds) and leaves.

We have set up our class florist shop and next week will be work on creating a role play garden centre outside. Any spare plants, flowers (real or not), pots, wheelbarrows (that we could borrow) etc. would be very welcome.
