## CLASS 1

This week we've continued our theme on celebrations by learning all about Christenings. We've loved looking at each others baby photos and albums and the beautiful Christening robes.

On Wednesday we went to the church and Mary Cockeram showed us around then the proud parents (Erin and Sam) had their baby (Archie Ben) Christened. It was a super occasion, the Godparents (Jenny,

Dylan and Archie) took their role- and holding the candle- very seriously.

We've been fascinated by the properties of ice in the 'tough spot,' and also thoroughly enjoyed experiencing how other substances melt- such as chocolate on our hands... and in our mouths!

We've been using addition to work out family sizes and our sounds of the week have been sh, th, ng and ai. Next week our celebration theme takes us to Birthdays!

## CHRISTMAS CD

This year we are currently working hard to make a CD of Christmas carols and songs to raise money for the school (PTA.) There will be approx. 20 songs featured in total, sung in a variety of groupings from small groups, solos, the choir, classes and the whole school. We will be selling the CD's for £3 or 2 for £5. The first 50 CD's will be available to buy at the Christmas Fayre and orders will be taken from then on if there is the demand. All orders will be supplied before Christmas. If you want to order or buy CD's after the Fayre there will be opportunities at the concerts or by contacting Mrs Wylie. A perfect Christmas present!

## DATA COLLECTION SHEETS
