JAPANESE INTERN

As a School, we are hoping to have a Japanese Intern at School sometime during 2011 for approximately six months. Mawnan School have hosted three Japanese Interns over the years and the children and staff have benefitted greatly from their input into School life.

The Intern would live with a family from the School for the duration of their stay. We are looking for one, or possibly two families who would like to host the Intern. If you are interested please speak to Mr Brook who will be able to give you further information.
