

Home learning will be set on a Monday and to be completed by the following Monday.

Reading	Please continue with your <b>daily reading</b> . Please ensure there is lots of discussion around all reading to ensure an understanding of vocabulary and a secure comprehension of the texts. Please recorded the reading daily on <b>Boom Reader</b> so we can keep a record of how much your child has read, how they have read and to know if a book is completed so that it can be changed.					
Spellings	Please practise these weekly spellings 2- 3 times a week. See the spelling ideas sheet on ways to complete the spellings. We will also be practising these spellings daily in class.					
	Said Says She Me He	One Once Our	There Were Where Here	Come Some Was Are	Pull Push Put They	
Maths	Summer 2 Booklet Please practice number bonds to ten. Writing numbers to 100 correctly with no reversals. Counting in twos, fives and tens.					
	All the following home learning activities are optional, please chose one or two per week (in any order) to enjoy! We would love to see your creativity and how you interpret each task. You are more than welcome to bring in anything you make to put up on our expedition display area.					
	Build a model of a packet ship or create your own ship. You can build it using Lego or recycled boxes and bottles. You can bring the model in or take a photo.	Write a letter which could be sent on a Packet ship. Where could it be delivered to?	Summer is here. Take a walk in your local area and look at what plants and wildlife you see. How has nature changed since spring?			
	Take a walk around Falmouth and see how many places you can find with the name Killigrew or Arwennack.	Design/make a 'porthole picture' showing what could be seen through different windows of a ship. Think about what you might see before and during its journey.	On a map, show a grown up the route of the packet ships and the Titanic. What cities/ countries/ continents did they start in, sail past and visit?
