

Topper home learning

Year 2: Adventures of the Sea

Home learning will be set on a Monday and to be completed by the following Monday.

Reading	Please continue with your daily reading . Please ensure there is lots of discussion around all reading to ensure an understanding of vocabulary and a secure comprehension of the texts. Please recorded the reading daily on Boom Reader so we can keep a record of how much your child has read, how they have read and to know if a book is completed so that it can be changed.					
Spellings	Please practise these weekly spellings 2- 3 times a week. We will also be practising these spellings daily in class.					
	Path Past Pass Grass Glass	Find Mind Kind Behind	Over Only Gold Old Told	Great Break Eye People	Sure Water Beautiful Pretty	
Maths	<u>Summer 2 Booklet</u> Please practice dividing numbers into equal groups of two, three, five and ten. Can you write a multiplication and division sum to match? Practice sharing equally into halves, quarters and thirds. This could be shapes, objects or numbers. Practice telling the time when you wake up, have breakfast, get home from school, eat tea and go to bed.					
	All the following home learning activities are optional, please chose one or two per week (in any order) to enjoy! We would love to see your creativity and how you interpret each task. You are more than welcome to bring in anything you make to put up on our expedition display area.					
	Build a model of a packet ship or create your own ship. You can build it using Lego or recycled boxes and bottles. You can bring the model in or take a photo.	Write a letter which could be sent on a Packet ship. Where could it be delivered to?	Summer is here. Take a walk in your local area and look at what plants and wildlife you see. How has nature changed since spring?			
	Take a walk around Falmouth and see how many places you can find with the name Killigrew or Arwennack.	Design/make a 'porthole picture' showing what could be seen through different windows of a ship. Think about what you might see before and during its journey.		On a map, show a grown up the route of the packet ships. What cities/ countries/ continents did they start in, sail past and visit?
