**Our core Christian Values: *Compassion, Hope, Peace, Perseverance, Respect, Trust***

Friday 22nd July 2022

Dear Mawnan Families,

We have now reached the end of another fantastic academic year at Mawnan School, and what a year it has been!

Covid continued to challenge us this year but we have managed to keep the school fully open every day and the children, whether at home or at school, have received their educational entitlement and have made exceptional progress with their learning.

Thank you all for being such an engaged and supportive group of parents and carers. Sharing your children's educational journey with you is a true pleasure and your continued support is valued and appreciated. **Thank you!**

I continue to feel extremely blessed to be leading such an incredible school. Team Mawnan has continued to strengthen this year and I could not wish for a more committed and talented staff team. I am proud to say that the quality of education, expeditions and experiences that the children have in our school is exceptional. **Thank you** Team Mawnan!

Many of our highlights this year have been our PTA events; it is so fantastic that we are able to share community events again. We would like to say **thank you** to our dedicated group of PTA members for all of their fundraising efforts and for gifting the school with so many amazing additions.

We are saying farewell to some longstanding members of the PTA because their children are moving onto secondary school and we'd love some new members.

A huge **Thank you** to Jodie Charlton, Anna Druce, Mike Fosker, Ruth Grimmer and Sally Lloyd for your hard work and longstanding commitment to the PTA!

I would also like to **thank our** governing board for their continued support throughout this year. Congratulations to Rachel for completing her first successful year as Chair of Governors!

Finally, I want to say **THANK YOU** to the children of Mawnan School. The children have been utterly amazing throughout this year and their desire to learn, impeccable behaviour and joy for life has continued to flourish. I am always so impressed with their ambition to achieve, their perseverance, kindness and humour. Your children are brilliant!

I would like to wish you all a wonderful summer holiday and thank you all sincerely for being such fantastic people to work with. I hope you all find some time to relax and enjoy some quality family time over the summer. See you all on **Tuesday 6<sup>th</sup> September** for the start of another brilliant school year.

Have a great summer

*Miss Pridmore*

## Home-School Communication (during the holidays)

Our staff team definitely deserve a break so I am requesting that dojo messaging and emails stop over the holidays. If you need to contact the school over the holidays please contact Miss Pridmore at [head@mawnanschool.com](mailto:head@mawnanschool.com) and mark the title as urgent.

## Safeguarding during the holidays

If you are worried about the safety of a child please contact the MARU on **0300 1231 116** (For urgent referrals after 17:15 or at the weekend call the Out of Hours Service on **01208 251 300**).

# Are you worried about a child or young person?

If you think a child or young person might be suffering neglect or abuse contact the Multi Agency Referral Unit (MARU)

**If you see something, say something**

☎ **0300 1231 116**

✉ **multiagencyreferralunit@cornwall.gov.uk**

Whilst you may be concerned about involving our services, we do more than check up on children and young people's welfare.

If a family is struggling, we can organise early help and support for them, before any problems become harder to solve.

#### What information do I need to give?

The more detail you are able to provide, the better we will be able to help.

If you have noticed that something wrong, other people might have too. A teacher, health visitor or other person that knows the family might have already alerted us, and your knowledge might fill in some missing information that can help.

## Attendance

'Every day counts' and we aim for 98%- 100% attendance because children who attend school regularly benefit the most from their education. We ask parents to bring their children to school every day unless they are too unwell to attend.

We do understand there are times when children will need to be absent from school for a number of reasons. As a result, we will only consider authorising absences in the following instances:

- For sickness or ill health
- For medical consultant appointments which fall during school hours
- For religious or cultural observances
- For a family emergency

If your child is absent, please phone or email the school by 9:00am on the first day of absence and provide us with the reason for their absence. The school is obliged to keep a record of absences and these are recorded on your child's report. Unauthorised absence and persistent lateness must be reported to the Local Authority's Attendance and Welfare Officer for further support and action.

*There have been amendments to the Education Regulations (Pupil Registration 2006) act. These amendments remove reference to family holiday and extended leave as well as the statutory threshold of ten school days. The amendments make clear that head teachers may not grant any leave of absence during term time unless there are exceptional circumstances.*

*Whilst we understand that some absences may include times when your child is ill or attending appointments, (preferably out of school time) it is important that we all work together to try to ensure that your child has the best possible chance of success whilst at school.*

*If you decide to still take your child out of school, without permission, you will be committing an offence under the Education Act 1996. We may refer the matter to Cornwall Council who may decide to take legal action against you. A penalty notice can be issued under Section 444A and 444B of the Education Act 1996. This carries a fine per child, per parent, of £60 if paid within 21 days or £120 if paid after this but within 28 days. Failure to pay the penalty notice may result in Court action. Persistent absences not authorised by the school may result in a prosecution in the Magistrates Court, leading to fines up to £2,500 and / or custodial sentences. The Council may also apply for the costs incurred in taking the matter to court.*

This consultation closes on July 29<sup>th</sup> 2022. We're awaiting the final code for September 2022.

Family holidays during term time will not normally be authorised. No flights or travel arrangements should be booked until the absence has been discussed with the Headteacher. Under current legislation parent/carers taking their child on an unauthorised holiday in term time could be subject to a fixed penalty fine. This is something we would like to avoid happening.

## Reading Challenge

We are so grateful to you all for the effort and time that you continually put into supporting your child with reading at home.

The children are making excellent progress with their reading because of their engagement with the reading scheme in EYFS and Key Stage 1 and their engagement with the class texts in Key Stage 2. The summer holidays are a wonderful opportunity for the children to continue their reading journey and read a range of texts by taking part in the summer reading challenge. We'd love it if everyone could have a go!

Now, at the end of year 6, I absolutely love reading and usually find myself gripped to a thrilling book and fluently reading page by page. Mawnan has taught me the importance of reading and offered much more than just becoming more confident and extremely enjoying a good book. The class texts read each half term helped structure and reinforce knowledge in the curriculum, which helped many aspects in other lessons and helping me become a better reader. I have become confident in retrieving answers efficiently and pronouncing words to their fullest.

Here is the information from the library service:

'The Summer Reading Challenge starts this weekend on Saturday 9th July – and we can't wait! If you know a young person then this is for them! The Summer Reading Challenge, presented by The Reading Agency and funded by Arts Council England, encourages children aged 4 to 11 to set themselves a reading challenge to help prevent the summer reading 'dip'.

Get ready to become a Gadgeteer with the Summer Reading Challenge 2022! To join the Gadgeteers, you need to read library books over the summer and collect stickers to complete your special Gadgeteers poster. It's fun and FREE to take part. This year, The Reading Agency is partnering with Science Museum Group for Gadgeteers, a science and innovation themed challenge that will spark children's curiosity about the world around them. Find out more about Gadgeteers here:

Each year the challenge, delivered with the support of public libraries, motivates over 700,000 children to keep reading to build their skills and confidence. All of the libraries in Cornwall take part in the challenge and are waiting to welcome you and your young people and help with signing up. Pop down to your local library over the summer and join in the fun – for more information on themed activities and events across our Libraries follow us on social media:

# Supporting Readers at Home

Open University research suggests there are three important ways to support readers and a love of reading.

Reading aloud to your children shows them reading is a pleasure, not a chore. Older children can read to younger ones too.

Making time to read alongside one another helps develop children's reading stamina and interest. Let them choose what to read and relax together.

Children who read, and are supported as readers, develop strong reading skills and do better at school.

Book Chats encourage readers. Invite them to make connections and share their views. Join in with your thoughts too!

# A Guide to Book Chat

Research indicates that parents who regularly read with their children at home lay solid foundations for language and literacy development. It's a precious time for you both to relax, share your thoughts and feelings, have fun and chat together. Whilst sharing books, your child has your undivided attention, and the conversation, connection and enjoyment they experience is invaluable.

To promote children's pleasure in reading and foster the habit, we need to read **to** children and **with** them and to **talk** to them about books. These conversations are crucial as they help children to engage and think deeply.

There are several ways to prompt book chat, these are our Top Tips.

Watch and listen carefully to follow their interests

**Observe and respond:** Pay attention to what captures your child's attention and build on their interests, for example, 'Oh, you've spotted the...!'

**Leave pauses:** So they can look closely and think, this will lead to comments on the pictures or questions. Respond to their lead and let the book chat flow.

Invite your child to get involved

**Pose questions:** Open questions encourage thinking and discussion, such as, 'How do you think the boy is feeling?'. Try to avoid closed questions, such as 'What colour is that?'; these have a single answer and don't keep the conversation going.

**Draw attention to illustrations:** Encourage your child to notice details in the pictures and think what they might mean, for example, 'Look! What's that hiding, what do you think it might be?'

Wonder and connect to your lives

**Ponder and wonder:** Encourage your child to think about what might happen, using phrases such as, 'I wonder if/whether/who/why/what ...?'

**Make personal connections:** Picture storybooks not only allow children to empathise with the experiences of fictional characters but enable them to make sense of events in their own lives. Talk about connections, for example, 'That reminds me of when...'

Share your emotional responses!

**Comment on your feelings:** By sharing your emotional response to a character or something that's happened you encourage your child to do the same, helping them engage and learn to express their emotions.

Keep it light and enjoyable!

**Your combined pleasure counts:** Bring the story to life with facial expression, actions and sounds, encouraging your child to join in! Do offer information to help with unfamiliar words, such as 'That's the hencoop, it's where the hens live', but keep the focus on fun.
