18th September 2017.

Dear Parents and other important people!

### **EYFS - Phonics & Maths Evenings**

I will be holding a **Phonics** evening on **Monday, 2nd October 2017 at 6.45pm**, which is open to all parents and carers of Reception children.

As your children are progressing with the phonics scheme I will be delivering an explanation of how we teach phonics and how this is fundamental to reading, spelling and writing.

The Maths evening will be held on **Monday, 9th October 2017 at 6.45pm** and will be covering every day concepts your children will be addressing, and about how to approach them, this will also include the principles of reasoning, fluency and mastery which underpins how maths is taught now. I would also be very interested in any difficulties you are finding with your children, or likewise successes you can share.

My hope is that these evenings will be supportive and informative. I would be thrilled if both parents and those who care for children after school will be able to come, so we're all "singing from the same hymn book!"

May I thank you in anticipation of your support. It really shows in the children's outcomes when parents are able to support their children at home- particularly when they understand what we are trying to achieve at school and can use the same vocabulary.

I look forward to seeing you then.

Yours faithfully,

*Mrs Wylie*

Mrs L. Wylie,  
Class 1 Teacher.
