

CLASS 1 NEWS

13th July 2018

What an exciting week! Our visit to the Maritime Museum was fantastic! Thank you to everyone who came with us, without you we wouldn't have been able to go ahead. We absolutely loved meeting Oceana the sea sprite who involved us in telling a story and showed us her interesting treasures, and also finding out about the family who were shipwrecked and made their own sailing boat. We had a go at making our own sailing boats and racing them! Luckily none of them capsized!

We all enjoyed our shuffle up session on Tuesday morning, the new Superheroes are becoming excellent role models for our new Ladybirds and the children who left us to visit Class 2 returned with very snazzy kites!

Between our exciting adventures we have been talking about time and timing each other doing things. We have discovered that Daisy is the fastest person in the class to be able to put on her shoes and socks, she can do it in 19 seconds! Wow!
